FILED: August 22, 2003 EXAMINER: Barbara J. Musser
FOR: INSULATED BEVERAGE OR FOOD CONTAINER STOCK

DECLARATION UNDER 37 CFR §1.132

I, John Charles DeBraal ("Declarant") declare as follows:

1. I am the inventor and applicant of the invention entitled "Insulated Beverage or Food Container Stock" disclosed and claimed in U.S. Serial No. 10/645,486 filed August 22, 2003.
2. I am the inventor of the method, and the product by process, of forming a laminate of substantially uniform and retained caliper as described in Serial No. 10/645,486.
3. I am a named inventor in U.S. Patent Application Publication No. US 2003/0021921 A1 published January 30, 2003.
4. I conceived of the subject matter constituting the method of forming a laminate of substantially uniform and retained caliper, and the product by process of forming a laminate of substantially uniform and retained caliper to the extent described in U.S. Patent Application Publication US 2003/0021921 A1.
5. Insofar as the invention of my pending application U.S. Serial No. 10/645,486 is suggested by anything contained in my U.S. Patent Publication No. 2003/0021921 A1 DeBraal et al., it was conceived solely by me and described to patent counsel prior to January 30, 2003.

Further Declarant sayeth naught.

Declarant acknowledges having been warned that willful false statements and the like are punishable by fine or imprisonment, or both (18 U.S.C. § 1001) and may jeopardize the validity of the application or any patent issuing thereon. All statements of Declarant's own knowledge are true and all statements made on information and belief are believed true.

SERIAL NO.: 10/645,486 GROUP: 1733
FILED: August 22, 2003 EXAMINER: Barbara J. Musser
FOR: INSULATED BEVERAGE OR FOOD CONTAINER STOCK

DECLARATION UNDER 37 CFR §1.132

I, John MacKay Lazar ("Declarant") declare as follows:

1. I am the inventor together with John Charles DeBraul in U.S. Patent Application Publication US 2003/0021921 A1 published January 30, 2003.
2. I have read the claims in pending U.S. Patent Application Serial No. 10/645,486 filed August 22, 2003 naming John Charles DeBraul as sole inventor.
3. I did not conceive the method of forming a laminate of substantially uniform and retained caliper, and the product by process of forming a laminate of substantially uniform and retained caliper described in the claims of U.S. Patent Application Serial No. 10/645,486.
4. Insofar as the invention claimed in pending U.S. Serial No. 10/645,485 is suggested by anything contained in U.S. Patent Publication No. 2003/0021921, that claimed invention was conceived by John Charles DeBraul.

Further Declarant sayeth naught.

Declarant acknowledges having been warned that willful false statements and the like are punishable by fine or imprisonment, or both (18 U.S.C. § 1001) and may jeopardize the validity of the application or any patent issuing thereon. All statements of Declarant's own knowledge are true and all statements made on information and belief are believed true.
